

36th Annual Southern California Alzheimer's Disease Research Conference

Nature, Nurture, and Neurodegeneration: Decoding Risk for Dementia

Who should attend

Healthcare providers

Senior/social service providers

Researchers

Students

People living with dementia & their families

Discover groundbreaking insights at the 36th Annual Southern California Alzheimer's Disease Research Conference.

This year's event, hosted at the Irvine Marriott, will delve into the critical intersection of genetics and environment in Alzheimer's disease risk.

Join leading experts and researchers as we explore:

- Cutting-edge genetic research
- Research into environmental factors influencing disease onset and progression
- The impact of risk reduction strategies
